PRESIDENT REPORT 2026

AC United, formerly known as the Abruzzi Sports Club, has been a huge part of my life and my family's life for as long as I can remember. I grew up playing here, being a ball boy for the senior teams and dreaming of one day playing alongside them. My father served on the Board, while my grandfather helped care for the fields. For me, the club has always been about more than football — it's family, memories and a strong sense of belonging.

Over the years, I've watched AC United grow into a true community, bringing generations of families together. When I look around the club, I see my family, my childhood and so many special memories. That history is what makes every season so meaningful, and 2026 has been another year of coming together, representing our club with pride and continuing the legacy of those who came before us.

As we come to the end of another season, I would like to take a moment to reflect on what has been another big and successful year for AC United.

First and foremost, I want to thank every player, coach, manager, volunteer, committee member, sponsor, parent and supporter who has contributed to our club throughout the season. A football club does not succeed because of one person it succeeds because of everyone working together, and I am incredibly proud of the commitment shown across AC United.

On the field, we have seen some fantastic performances from our teams. Congratulations to all our teams who competed throughout the season, particularly those who made finals and continued to represent AC United with pride right through to the end. Our Senior Men have shown great determination and resilience, and our Championship team deserves special recognition for their achievements. We also proudly celebrate our M League and All Age Ladies 4 Team for a memorable season filled with teamwork, determination and great memories.

But football is about more than results. It is about giving our juniors a place to learn, develop friendships, build confidence and enjoy the game. Seeing our young players grow throughout the season has been one of the highlights of the year.

I would especially like to recognise our coaches and managers. They give up countless hours each week, often balancing football with work and family commitments. Without volunteers willing to give their time, our club simply could not operate. Your dedication to our players is greatly appreciated.

I also want to acknowledge our committee and volunteers for everything that happens behind the scenes from registrations and team organisation to canteen operations, fundraising, facilities, sponsorship, communication and match-day responsibilities. Much of this work goes unnoticed, but it is essential to keeping our club moving forward. This season has not been without its challenges.

Like every community club, we have faced difficult moments, but we have continued to work through them and remain focused on making AC United stronger. I believe the way we have responded to those challenges demonstrates the character of our club.

A huge thank you also goes to our sponsors and the wider AC United community. Your support allows us to continue providing opportunities for our players and investing in the future of the club.

As President, I am extremely proud of what we have achieved together this year. There is still plenty of work ahead, and we should never stop looking at ways to improve, but our club continues to grow because of the people who care about it.

The 2026 season has been another successful year for AC United, highlighted by strong participation, player development, community involvement and an incredible team spirit across the club.

Total 493 Registrations

- 93 Coaches & Managers
- 262 Junior Players (U5–U16)
- 138 Senior Players (17+)

Total Teams: 32

- 24 Junior Teams
- 8 Senior Teams

We proudly fielded teams across non-competitive, development league, youth, senior and elite competitions, providing opportunities for players of all ages and skill levels to develop, compete and enjoy the game.

2026 has been a fantastic season for AC United, with an incredible **14 teams** reaching the finals across DDL and Competitive competitions — a wonderful achievement for our club! In DDL, four teams progressed to Finals, with our **U10 Boys, U11 Ladies, U12 Ladies and U13 Ladies** all continuing their finals campaigns.

Congratulations to all four teams on an outstanding season and for proudly representing AC United.

Our competitive teams also made their mark, with 10 teams qualifying for the finals: **U14 Div1, U16 Div 1, U16 Ladies Div 1, All Age Men Div 3, All Age Ladies Div 4, M-League, The Championship, Premier 23, U18 White Div 1 and U18 Blue Div 1.**

We couldn't be prouder of our **AC United champions!**

Congratulations to our M-League girls bringing the trophy home for a second year in a row, and to our Premier 23s boys on an incredible Knockout Grand Final victory!
What an amazing achievement for both teams. Your hard work, determination and commitment throughout the season have truly paid off.

You've made AC United incredibly proud — congratulations to both teams!

Reaching the finals at so many different levels is a fantastic reflection of the dedication, hard work and commitment shown by our players, coaches, managers and families throughout the season. Every team has done the club proud, and we look forward to cheering you on as you battle it out for finals glory!

Season Highlights

Elite Program
One of the standout achievements for our club this year was the introduction of our Elite Training Program, providing our young players with an exciting opportunity to experience a more professional and high-performance training environment. Delivered by the professional coaching team from Stella Academy, the program brought expert knowledge, experience and a strong focus on player development to our club. An impressive 85 players from our Under 8s

through to Under 14s teams participated throughout the year, demonstrating the incredible enthusiasm and commitment of our young athletes. The program challenged players to develop their technical skills, tactical understanding, confidence and discipline, while encouraging them to push themselves beyond their comfort zones. The introduction of the Elite Training Program represents an important step forward in our club's commitment to providing quality development opportunities for our players and creating a pathway that inspires our young athletes to reach their full potential. We are extremely proud of the success of the program and look forward to building on this achievement in the years ahead.

Heartbeat of Football
AC United proudly supported the **Heartbeat of Football charity event**, raising a incredible **$1,200+** for this important cause. For the first time, the club donated proceeds from our canteen, together with funds raised through the sale of personalised headbands. The incredible generosity and support of our players, families and volunteers saw AC United finish as the **3rd highest fundraiser in 2026.** As a fantastic reward for our fundraising efforts, the club was presented with a **Shock Station AED Package** an important lifesaving resource that will help keep our players, families and wider club community safer.

Female Football Week
We proudly celebrated Female Football Week, recognising and promoting the important role of women and girls in football and across the AC United community. It was fantastic to see players, families, volunteers and supporters come together to celebrate the women's game, with special guests **Indiana Dos Santos from Sydney FC**, along with **Jynaya Dos Santos from Central Coast Mariners**. Their presence, along with the incredible energy and support from our community, made the week a truly special celebration of female football.

Bunnings BBQ
2026 saw our first AC United Bunnings BBQ, raising more than **$2,000** towards new sporting equipment for the club. A fantastic fundraising effort made possible by our dedicated volunteers.

Canteen Operations
Our canteen continued to be an important part of match days and club events, supported by a fantastic number of volunteers throughout the season. Their time, energy and commitment helped keep the canteen running and contributed to the overall club experience.

Club Vibe
One of the highlights of 2026 has been the positive feedback from our AC United community about the attitude, energy and commitment of our committee. The strong sense of teamwork and community spirit has helped create a welcoming environment for players and families.

Finally, to every player who pulled on an AC United shirt this season thank you for representing our club. Wear the colours with pride, respect your teammates and opponents, and always remember that you are part of something bigger than just your team.

Thank you to everyone for your support, commitment and belief in AC United.

Congratulations on a fantastic season, and I look forward to seeing our club continue to grow and succeed in the years ahead.

Always Loud, Forever Proud AC! ⚽

Steven Marrone
President – AC United

SECRETARY REPORT 2026

On behalf of the AC United Committee, I am pleased to present the Secretary's Report for the 2026 season.

2026 has been a very special year for me personally, taking on the role of Secretary for the first time. It has been a year of learning, challenges, new experiences and, most importantly, being part of a fantastic football community. I am grateful for the opportunity to contribute to a club that continues to grow through the commitment and passion of its players, families, coaches, managers, volunteers and committee.
The Secretary's role involves a wide range of responsibilities throughout the season, including managing club correspondence, keeping records and documentation up to date, communicating important information to coaches, managers and committee members, assisting with competition requirements, and supporting the Committee with the day-to-day administration of the club.

My First Year as Secretary
Stepping into the Secretary role for the first time has been a fantastic learning experience. There has been plenty to learn along the way, from understanding the responsibilities of the position and keeping up with administration, to communicating with members, coordinating with the committee and helping ensure the club continues to operate effectively.

I am proud of what we have achieved this year, while also recognising that there is always room to improve.

There have been lessons learned throughout the season, and I will take those lessons forward as I continue in the role. My goal is to build on the experience gained in 2026 and become a more effective and organised Secretary in the years ahead.

Communication and Administration
Throughout the season, communication has remained an important priority. Regular updates have been provided to coaches, managers, players and families regarding fixtures, training, competitions, presentations, club events, fundraising, council matters and other important club information.

Thank you to everyone who has responded promptly to requests for information and assisted with the administration of their teams. Good communication across the club is essential, particularly when dealing with changes to fixtures, player availability, ground conditions and competition requirements.

Coaches, Managers and Volunteers
A special thank you goes to all of our coaches, managers and volunteers who have given their time throughout the season.

We understand that everyone has work, family and personal commitments, and the time you give to AC United is greatly appreciated. Without our volunteers, the club simply could not operate.
Congratulations to all teams who competed throughout the season, and especially to those who progressed into finals and championship matches. You represented AC United with great pride.

Club Events and Presentations
The club has continued to bring our members together through various events throughout the year. These occasions are important because they allow us to recognise the commitment and achievements of our players, coaches, managers and volunteers.

We look forward to celebrating another successful season at our Junior Presentation and our Senior Presentation, where we can acknowledge the hard work and achievements of everyone involved.

Moving Forward
As we look towards the 2027 season, it is important that we continue improving our administration, communication and organisation. Keeping accurate records, maintaining our club documentation, strengthening communication between the Committee and teams, and ensuring responsibilities are clearly
handed over will help put AC United in the best possible position for the future. Most importantly, we need to continue working together as one club and making sure AC United remains a welcoming, respectful and supportive environment for everyone.

Thank You
I would like to sincerely thank the AC United Committee for their support and commitment throughout the year. Shout out to Steve on his first year of President and done are fantastic job, very strong passion for the club and really committed

I also want to thank every coach, manager, team official, volunteer, sponsor, player and family member who has contributed to the club during the 2026 season.

There is a lot of work that happens behind the scenes that often goes unnoticed, but every contribution helps make AC United the club it is today.

It has been a privilege to be involved with the club and to support its continued growth and development.

Thank you to everyone for your ongoing support of AC United.

Coach: Dean Mattiello
Manager: Adrian Islas

What a fantastic first season for our AC United Under 5s!

This was their first year playing football, and it has been wonderful watching them learn new skills, build confidence, make friends and, most importantly, have fun.

A big thank you to all the parents and families for their support throughout the season. Your encouragement each week has made a huge difference.

I would also like to thank our sponsors, Active OT Hub and Reliable Food Distributors, for their generous support of our team.

Thank you to our Manager, Adrian Islas, for all his help and commitment throughout the season. It has been a pleasure coaching the team and watching every player develop.

Congratulations to all our Under 5 players on completing their very first season. We look forward to seeing everyone continue to grow, learn and enjoy football with AC United!
Well done, U5s!

I'm so proud of each amazing player that's formed the team I've had the privilege to coach this year and am grateful to have had the opportunity to stand them each week.

Our team of champions featured Alfie, Charbel, Giovanni, Matteo, Matthew, and Sergio, each embarking on their first season playing soccer.

Training started with basic footwork, communication and how to support each other on the field and progressed to focus on tactical gameplay and skills that would help our players outclass opposing teams.

We started welcoming positive results through the mid season as our team started showing themselves how skilful and talented they are, with everyone improving in their own right. It seems the second training night paid off.

Highlights from our games included seeing the team motivate each other on field, overcome challenges and push each other to excel. Congratulations to Matthew, Matteo, Giovanni and Sergio for scoring your first goals this season.

Thank you to Ben and Eve For being part of the Coaching team, your ongoing support has been abundantly appreciated.

To the Parents, Thanks for trusting and having faith in me to be the team's Coach, for showing up each week and for creating a genuine community for our kids to feel safe in.

To AQUAKIDS for being our sponsor without businesses like yourself park football wouldn't be possible.

Thanks to the AC United committee and volunteers, especially Dean, Adrian and the Under 5's for always helping out when we needed numbers or training support.

Vince.

AQUA KIDS

AC UNITED FC
TEAM: U6 INTERMEDIATE GREEN

Coach: Richard Galayini
Manager: Daniella Musico

What a great season for this group of boys. They have shown fantastic commitment to the game and learning new skills each week at training. Early in the year we started with some fundamental skills in the game like passing and dribbling the ball and of course shooting at the goals. Our first game started with a tough loss of 4-3 against a very strong team.

It was evident to coach, that these boys were so much more capable than just basic entry level skills, so we started to learn basic positions like attacker, defender and midfield. The kids picked these ideas up so well, and our season hit full swing; the boys very quickly became the team to beat in this competition. Winning the bulk of our games in the middle of the season by working hard together and everyone having a go in the different positions on the field.

As we continued to grow at training, we learnt about moving to space, not bunching up and getting the ball down the line and in front of goal, rather than charging through the middle. I was so proud as a coach, to watch a group of 5 yr olds string together 6 passes starting at their goal before crossing the ball into the box and scoring a goal that any adult team could be proud of. It shows that they are listening, learning, and having fun.

Each of the boys has come so far at an individual level, some learning to tackle and be strong, some learning to stay calm and on their feet, others finishing goals with both their feet, and we even saw a header or 2 throughout the season! It’s been an absolute pleasure to see them all grow, laugh, and ultimately love playing the game. I really hope to see them all again next year ready for another round.

Coach Richard.

What a fantastic season it's been for our U7 Beginner Red boys! From the very first training session, this group came together as a true team, and it's shown week after week both on and off the pitch.

Some of the boys have really come into their own this season, growing in confidence and starting to show some lovely touches on the ball, while others have been quietly learning and developing with every game, picking up new skills and building their understanding of the game one week at a time. Watching all of them improve has been a joy for both coaches and parents alike.

The results have reflected all that hard work, with some great wins, a few hard-fought draws and the occasional loss along the way, each one a valuable lesson and another step forward in their footballing journey.

But beyond the scoreline, what has made this season so special is the team itself. The boys get along brilliantly, and the same goes for the families behind them. The support from our parents has been amazing, and it's created a warm, positive environment for the kids to learn, play and have fun in.
A huge thank you goes to our manager Daniella, who has kept everything running like clockwork all season, from organising training nights to making sure the boys were always where they needed to be on game day. Her behind the scenes work doesn't always get seen, but it's what keeps a team like this together.

Thank you also to Giuseppe, who has led the boys through every training session with patience and energy, helping them build their skills week by week, and to George, who has taken charge on game days, guiding the boys through the ups and downs of match day and getting the best out of every one of them.

Thank you to everyone who has been part of this season, players, parents and family. We can't wait to see this team keep growing and improving together.

Manager: Patrick Bevilacqua

The season has come to a close for the AC United U7s, marking a year of development, mixed results, and valuable lessons on the pitch. We experienced our fair share of both wins and losses this season, making it a challenging road for the group as we navigated the ups and downs of the competition.

We extend our sincere thanks to our team sponsor, Rapid Response Property Solutions, for their valuable backing throughout the year, which allowed the kids to compete well-equipped each week.

Our development took place during our once-a-week training sessions, where the focus was entirely on building basic skills, positions and working together. Every single player; Saverio, Sleiman, Benjiman, Gabriel, Abigail, and Christian focused on tracking their own personal improvement as the weeks went on.

It was great to watch the kids work on their footwork, listen to feedback, and grow more comfortable on the pitch by the season's end. Each player brought their own energy to the squad and seeing them build confidence through a tough year was a real positive.

We want to send a big thank you to our manager, Pat Bevilacqua, for keeping the logistics organized and ensuring things ran smoothly from week to week. We also greatly appreciate our dedicated parent group. Thank you for your commitment to the team, especially for braving those freezing cold training nights and providing constant cheering and support from the sidelines on game days.

While it was a tough season with plenty of obstacles, the players stuck together and kept learning. We hope the team takes the lessons from this year to keep building on their skills and improving their football in the future.

We've had a great year with our team of first timers, that includes the players and coaches. The team has gone from strength to strength and continued improving throughout the season.

The boys started the year with very little notion of teamwork or even positioning on the football pitch but have improved week to week with ups and downs and always with a smile on their faces.

At the beginning of the season, it seemed like it would be a long year, but credit to these boys that kept on improving and never stopped having fun regardless of the results.

As their coaches and parents, we should be very proud of these boys for the effort they have put in and for never giving up.

A big thank you to Matt who stepped up as manager and was a great help to me and the boys.

Another big thank you to all the parents for their continued support and commitment.

Finally thank you to the AC United Club and Committee for putting the team together so late and allowing all this to happen for our team.

AC UNITED FC
TEAM: U8 METCALFE WHITE

Coach: David Merzi
Manager: Joe Minasian

What a fantastic season it has been for our AC United U8 Metcalfe White team. Coaching this group of 10 boys has been an absolute pleasure, and I couldn't be prouder of everything they achieved throughout the year.

While we celebrated wins along the way, the biggest success was the improvement and dedication shown by every player from the first training session in November last year, to the last. The boys developed enormously in their passing, positioning and teamwork, and it was fantastic to see their confidence and understanding of the game grow each week.

A big thank you goes to the Academy coaches for their Tuesday night training sessions. The extra technical work throughout the season made a real difference, and it was evident how much the boys' skills improved because of their commitment and the quality coaching they received.

Every player contributed to the team's success in their own way.

Gabriel was the last to join and took on the challenge of being our goalkeeper. Week after week he grew in confidence, made some outstanding saves and developed into an accomplished keeper.

Lucas, Noah and Alessandro were the backbone of our defence. Their determination, courage and willingness to defend with everything they had helped us stay in games and was a big reason behind our victories.

In midfield, Talion and Luka were rock solid. They worked tirelessly at both ends of the field, creating attacking opportunities while also tracking back to help the defence whenever needed.

Nathaniel and Archie gave us great energy out wide. Their hustle, positive attitude and willingness to play wherever the team needed them saw both boys improve tremendously as the season progressed.

Up front, Leonel and Nico were a constant threat, combining to score plenty of goals throughout the season and rewarding the team's hard work with some exciting attacking football.

A special thank you goes to Joe, my right-hand man and team manager. His support throughout the season was invaluable. Whether it was running

training sessions, helping on game days or simply reminding me to submit the team sheet on Dribl, he definitely made the job as coach easier.

Finally, thank you to all of our parents. Your encouragement, positivity and commitment to bringing the boys to training and games each week, even on throughout the cold of winter, created a wonderful environment for the team to learn and enjoy their football.

I couldn't be prouder of this group of players and everything they accomplished this season. I look forward to seeing everyone back next year as we continue to represent AC United with pride, keep developing our skills and teamwork, and enjoy another great season together.

What a year for these champions!

We couldn't be any prouder of this incredible group of boys. From the first whistle to the final game, they showed determination, teamwork, courage and, most importantly, a genuine love for the game. Every training session, every match, every goal, save, tackle and celebration helped make this a season to remember.

A huge congratulations to:

Mateo — Your skill, confidence and determination have shone all season. You always gave your best and played with so much heart.
Asher — A fantastic season filled with effort, energy and plenty of great moments. Your commitment and positive attitude made you a pleasure to watch.
Marco — Your dedication and love for the game have been clear all season. You should be incredibly proud of everything you achieved
Alexander — A true team player who always gave 100%. Your focus, determination and never-give-up attitude made a huge difference.
Jonathan — You brought so much enthusiasm and passion to the team. Your hard work and willingness to keep improving have been fantastic.
Tristan — Your enthusiasm, determination and teamwork were fantastic to see. You kept pushing yourself and showed just how much you have grown.
Santino — Your passion and competitive spirit helped drive the team forward. You worked hard, improved throughout the year and made so many great memories.
Calvintino — What a season! Your energy, effort and determination were outstanding, and you always played with a smile and a big heart.
Lachy — A wonderful season full of effort, courage and commitment. You always gave your best and were an important part of this special team.
Hunter — Your hard work, determination and team spirit have been amazing. You can look back on this season knowing you gave it everything.

To all our champions be proud of yourselves! You have grown not only as soccer players, but as teammates, friends and young men. The memories, friendships and lessons from this season will stay with you long after the final whistle.

A massive thank you to our incredible sponsors, You Pizza and Genstyling, for supporting the boys and helping make this season possible. Your generosity and support mean so much to our team, families and AC United.

But most of all, thank you to our amazing families.
To all the mums, dads, grandparents, siblings and loved ones who showed up week after week rain, hail or shine cheering from the sidelines, encouraging the boys, celebrating their wins and picking them up after the tough games.

Your support, commitment and encouragement have been a huge part of this journey. The boys may be the ones out on the field, but behind every one of them is a family that keeps showing up and believing in them. We couldn't do it without you.

What a team. What a season. What a year! We are so incredibly proud of every single one of you!

What an incredible season it has been for our Under 9 boys.

This year was about so much more than wins, goals, and results. It was about growth, friendship, resilience, determination, teamwork, courage, and the development of a remarkable group of young boys who learned what it truly means to support, encourage, and believe in one another, both on and off the field.

At the beginning of the season, some of the boys were still finding their confidence. They were learning the rules, discovering their strengths, overcoming challenges, and figuring out how to work together as one team. Like all nine-year-olds, they brought endless energy, excitement, enthusiasm, curiosity, and, of course, a little bit of mischief to every training session.

Week after week, however, something very special began to happen.

The boys became stronger, not only as individual players but as teammates, leaders, and friends. They learned the importance of communication, trust, commitment, perseverance, respect, and determination. They discovered that true success is not measured by the number of goals scored but by the way they support one another, celebrate one another's achievements, learn from their mistakes, and pick each other up when things become difficult.

Their passing improved, their positioning became stronger, their confidence grew, and their understanding of the game developed tremendously. Most importantly, they learned valuable life lessons that extend far beyond the football field. They learned to be patient, disciplined, focused, resilient, and respectful. They learned to face challenges with courage, work hard to achieve their goals, and never give up.

As the season progressed, friendships deepened, confidence flourished, and the bond between the boys became stronger than ever. They began to understand that football is about much more than competition. It is about loyalty, trust, accountability, leadership, commitment, sportsmanship, and becoming the very best versions of themselves.

One of the greatest privileges of coaching children at this age is witnessing the moments that often go unnoticed: a word of encouragement after a mistake, a high five after a great play, a smile shared between teammates, or a player stepping forward to help another. Those moments reveal the true spirit, strength, and character of this team.

As both a coach, manager, and parent, I could not be prouder of every single one of these boys. Their growth throughout the season has been extraordinary, and I have no doubt that the values they have learned this year will stay with them throughout their lives.

To all the parents, thank you for your unwavering support, encouragement, commitment, and the countless hours you have devoted throughout the season. None of this would have been possible without you.

Thank you to the AC United committee, especially Michael and Richard, for your support, guidance, and dedication throughout the year. Your encouragement and commitment have made an enormous difference to me.

Most importantly, thank you to our incredible players. Continue believing in yourselves, continue working hard, continue supporting one another, and continue chasing your dreams.

You are not simply teammates.

You are brothers.

You are a family.

Always loud. Always united. Forever proud of our Under 9 boys.

Well done, boys. Your AC United family is incredibly proud of each and every one of you.

AC UNITED FC
TEAM: U9 RYAN

Coach: Tina Bevilacqua
Asst Coach: Darius Nastasi
Manager: Natalie Nastasi

After a tough season last year where results didn't go our way, we entered 2026 with a fresh slate and a simple goal: to build the boys' confidence.

At training, we focused on fundamentals like ball control, passing, and field positioning through fun, high-energy games. The boys worked incredibly hard, and the improvement across the season was fantastic to watch. It was so rewarding to see them bring those training skills into our weekend matches. They really learned how to play as a team, which paid off with a great string of wins and a few losses. 9 wins and 6 losses with only 2 games to go.

The boys brought something special to the squad this year, and our success was a total team effort: Santino's determination, Emilio's work rate, Marco's vision, Matteo's drive, Luka's awareness, Zaya's energy, Zayn's skills, George's persistence, Zion's goalkeeping, and Noah's sportsmanship all made a huge difference.

A massive thank you goes to our assistant coach, Darius, who supported the team, always arriving early to set up and assist with training and help run game days. We are also very grateful to our manager, Natalie, whose behind-the-scenes organisation kept the whole season running smoothly.

To the parents: thank you for your commitment to the team, sacrificing your weekend sleep-ins, braving the cold training nights and providing the positive cheering and support from the sideline. Thank you to the dads who ran training sessions when I was unavailable and to the mums who brought half time snacks and lollies for the energy boost for second half. And for those who chased the balls at training sessions so the boys could continue training.

A huge thank you also goes to our team Sponsor, Winchester Interiors. Their generous sponsorship and support with the team throughout the season was very much appreciated.

Thank you Under 9's, for an unforgettable year.
You are a brilliant group of boys, and I wish you all the very best.

'Win together, Draw Together, Lose Together'

What a year it has been, it has flown so fast, that's what happens when you're giving it your all and having fun. New Rookie coaches Sam & Harvey who show up each game focused with passion for the game and boy does it show from the coaches' bench. 12 Skillful and very coachable ladies, who show up and give it their all at every training session and on game days.

We started the first half of the season a bit slowly, still trying to find our feet but as the season went on, we grew a lot stronger and tougher together as a team, and it shows with only 5 losses throughout the comp we ended up in the top 4. Making it to finals in our first year, Yeah the girls!

Our highlight of the season was winning 5 consecutive games, scoring 21 goals & only conceding 3 goals during that run.

All 12 ladies improved their skills so much by playing together and most of all having fun as a team and it shows how far they have come, considering half the team are made up of new players who just joined the club this season. This journey is just the beginning, and our team should all be proud of how far they have come throughout the season.

To our team families, our number #1 supporters, it's been a joy having you all cheering our team on from the sidelines and supporting our ladies throughout the season.

Natalia, Alexis, Lucy-Rose, Emilia, Eva, Maria, Klaudia, Giselle, Evelyn, Katalyna, Inana and Annabelle, we played an amazing season, and you all never gave up throughout the competition. Every one of you should be proud of how far you have come not only as individual players but as a team.
We had fun and that's what it's all about.

Thank you to our team manager Jess for keeping the team connected throughout the season.

Thank you to Isherwood Bookkeeping for sponsoring us for the 2026 Season.

Bring on the Semi Finals!

What a memorable season for our Under 12's Division 1 team!

From the first training session to the final game, this group brought plenty of energy, enthusiasm and personality to the season. There were challenges along the way, but there were also so many moments to celebrate- the goals, the laughs, the teamwork and the friendships that grew throughout the year.

One of the best parts of the season was watching the boys grow together as a team. They learned to communicate, trust one another and work together, while also developing their skills and confidence on the field. Every player played an important part in making this team what it was.

A **huge thank you to all the parents** for everything you have done throughout the season. Thank you for getting the boys to training and games, making the early starts, supporting them through the tough games, celebrating the good ones and always cheering from the sidelines. Your time, encouragement and commitment are never taken for granted. The boys are incredibly lucky to have such supportive families behind them.

To the boys- thank you for the memories, the laughs and for making this such an enjoyable season. Continue to work hard, support each other and, most importantly, enjoy playing the game you love.

Congratulations, Under 12's Division 1- what a season!

PROJECT X FITOUTS

AC UNITED FC
TEAM: U12 DIVISION 3

Coach: Michael Correia
Manager: Maria Mura

It has been our privilege to serve as both coach and manager for this incredible bunch of kids this year. Watching each player grow in skill, confidence and teamwork has been one of the most rewarding experiences.

This season was about much more than wins and losses. It was about commitment, resilience, respect and supporting one another through every challenge. With different skill levels and levels of experience, we truly were a 'mixed bunch.' Every training session, every match, and every shared moment helped build lasting friendships and unforgettable memories. We are so very proud of the dedication, sportsmanship and positive attitude shown by every player.

Here's just 1 word to describe each of our team members.
1 Massimo - Vocal
4 Sami - Enthusiastic
7 Valentino - Dependable
9 John - Committed
10 Sargon - Tenacious
11 Maximiliano - Reliable
14 Jacob - Determined
17 Lykan - Passionate
19 Gabriel - Fearless
22 Josh - Rookie
28 Orazio - Committed
37 Anthony - Formidable

Thank you to our families, volunteers, and supporters for your encouragement throughout the season. Your support made a real difference and the boys dug deeper when they felt the love and encouragement from the sidelines.

A special thank you to our loyal sponsors, Adamo's Pasta and Parklane Hire for their support this year. Not only were they our official sponsors, but also provided us with a meal post match on two separate occasions. The losses were a lot easier to swallow, when the boy's bellies were full of home made pasta and burek post match.

As we look ahead, we hope each player continues to chase their goals both on and off the field. Remember that success comes from hard work, perseverance and believing in yourselves and your teammates.

Congratulations on a great season. We wish you all the very best for the future and look forward to seeing where your soccer journey takes you. We hope that you can continue your journey, here at AC.

KEEPING THE TRADITION ALIVE

AC UNITED FC
TEAM: U12 DIVISION 8

Coach: Brandon Gorges

A Season of Learning and Growth

This year was always going to be a learning experience. We started with a **brand-new team, a new coach, a new manager**, and, for some of the boys, this was their very first season playing soccer.

We knew from the beginning that there would be challenges, and the season certainly had its ups and downs. At times, we struggled to find our rhythm and put together the performances we were hoping for. The boys found it difficult in some games, and the results didn't always go our way.

But that is what sport, and especially junior sport, is all about — learning, improving and having the courage to keep turning up and trying.

For some of the boys, learning the basics of soccer while playing competitive games was a big challenge. There were plenty of things to learn — positioning, passing, defending, teamwork and understanding the game itself. While we may not have always played our best soccer, the boys continued to get out there and give it a go.

The most important thing was that they were learning something new and gaining experience every week. Hopefully, they have also made some new friendships and created some great memories along the way.

This season may not have produced the results or performances we were hoping for, but it has given the boys something just as important — **experience**.

Enjoy the break, boys. Come back next season with a positive attitude, ready to work hard, learn more and improve together.

The results might not have been what we wanted, but the journey has only just begun. ⚽ 💪

What a season it's been! Looking back, it's hard to believe how much this team has grown. This year wasn't just about the goals we scored or the games we won, it was about watching a group of girls become a real team. Their confidence grew with every match, they learned to trust one another, and they showed that hard work, determination, and a positive attitude can take you a long way.

Every one of these girls brought something special to the team:

Rosarita Altiary – Confident and composed on the ball, always looking to create opportunities with her quick feet and positive attitude.
Alicia Saliba – Relentless and hardworking, never afraid to put in the extra effort for her team.
Sofia Estay – Talented and determined, always eager to learn and improve her game.
Ana Volarevic – Fearless and full of energy, bringing enthusiasm and determination every time
she stepped onto the field.
Olivia Vartuli – Strong and competitive, inspiring those around her with her leadership and commitment.
Isabella Sofia – Lightning quick and courageous, never hesitating to take on a challenge.
Maddison Wagner – Dependable and focused, always giving her teammates someone they could rely on.
Georgia Vartuli – Adaptable and full of character, bringing versatility, laughter, and positivity wherever she played.
Matilda Valdenegro – Selfless and versatile, always happy to put the team first and play wherever she was needed.
Catalina Le – Encouraging and resilient, lifting those around her while never backing down from a challenge.
Jade Gilani – Powerful and determined, using her strength and persistence to make an impact every game.
Rose Saliba – Relentless and fearless, chasing every ball with endless determination and heart.

Together, these girls created something really special. They celebrated each other's successes, picked each other up after the tough moments, and never stopped supporting one another. Win, lose, or draw, they always represented themselves and their families with pride.

To our wonderful parents—thank you.

Thank you for the endless trips to training and games, the cheers from the sidelines, and for always encouraging the girls to do their best. Your support, patience, and commitment have been a huge part of this team's journey, and we couldn't have done it without you.

Finally, to our girls...

Thank you for making this season so memorable. Watching your friendships grow and your passion for the game develop has been the most rewarding part of the season.

Keep believing in yourselves, keep working hard, keep supporting each other, and most importantly, keep having fun. We're so proud of everything you've achieved this year, and we can't wait to see what the future holds for all of you.

Wow! What a year filled with challenges, opportunities and learning experiences for everyone involved with the team.

Joining the team in February, it didn't take long for me to realise the challenge we had ahead of us.

Bringing together a group that included several new players proved difficult from the outset, particularly as a first time coach learning how to manage different personalities, develop talented players and communicate a clear style of play.

Further, the lack of a proper pre-season only added to our early concerns, and ultimately all these factors were reflected in our initial results. Despite the boys' immense effort in games, we struggled at times with consistency and turning competitive performances into wins.

Although this was frustrating for everyone involved, it was clear from my perspective that the performances were gradually improving and the boys were beginning to develop an identity and style of play. Joe and I quickly understood the importance of reinforcing this message while ensuring everyone remained on the same page and continued working hard.

Slowly, with more time on the training ground and the addition of three new players midway through the season, the positive results started to come. We even began competing with and, at times, dominating teams that had beaten us earlier in the year.

It is also important to recognise the resilience shown by the group towards the end of the season. Despite injuries often leaving us short on numbers, the boys refused to use this as an excuse and continued to produce strong, competitive performances against some of the strongest teams in the division.

Although we narrowly missed out on finals despite a strong run of form towards the end of the season, everyone involved could be proud of the enormous growth we saw in both training and matches. It was particularly pleasing to see the confidence and morale within the group grow as the season progressed.

I would like to thank the club, the parents and the players for trusting me in my first year as a coach. This experience has sparked my coaching development and taught me a great deal about both football and myself. I am also very grateful for the strong connections that I've established with the players, parents and those at the club,

A huge thank you also goes to our manager, Joe, for his constant work on and off the field to ensure the boys had an enjoyable and competitive year of football.

Finally, I would like to recognise the enormous effort of Coach Daniel, Andrea, Pep and George at Stella Academy. Their commitment to the group throughout the season consistently went above and beyond, helping maximise our development not only as coaches and footballers, but as people as well.

I hope to see everyone involved back at trials for the new year, as I believe the foundations laid this season, combined with a much stronger pre-season, can allow this group to take another big step forward and challenge the competition.

Thanks,
Antonio Carbone

It has been a wonderful year of fun, growth, and learning for the team. Coming off their very first season of football last year, this season was all about stepping up to the challenge of the U13 competition. Our fantastic squad this year included Marisa, Tarisa, Jasmine, Eleanor, Kayla, Emily, Ciara, Sophia, Georgia, Lourdes, Selena, and Katelyn.

While it took the girls a couple of weeks to gel on the field, the coaching staff and I were deeply inspired by their resilience and determination. They never stopped giving it their all. The most beautiful thing about this team is their bond, they have been incredibly friendly, supportive, and kind to one another from the very first whistle to the final game.

Training was an absolute joy this season. Watching the girls build on their skills, push their limits, and elevate their game to the next level was truly awesome to witness.

Through every match, the girls have really come to understand that football is a collective journey, embracing the true spirit of a team sport rather than a solo game.

As both a parent and a coach, I am incredibly proud of their outstanding performance, personal growth, and unwavering dedication. Well done, ladies!

A heartfelt thank you to all the parents for volunteering your time and showing such wonderful dedication. The girls and the coaching staff truly appreciate your endless support throughout the year.

We also extend our gratitude to the AC committee for all of their hard work behind the scenes to ensure our season ran smoothly.

Finally, a massive thank you to our new assistant coach, Harry, for his valuable support and guidance, and to our awesome, loving manager—our "mamma bear" Stefanie Tachdjian.

Thanks

What a season it has been for our Under 14 Division 1 team!

It certainly wasn't a season without its challenges. We had our ups and downs, some great wins, some tough losses and plenty of moments that tested us. But what stood out most was the way the boys continued to work hard, support each other and never give up.

Finishing **3rd on the ladder** is a fantastic achievement and something the whole team should be incredibly proud of. We gave ourselves a great opportunity to go all the way, but unfortunately, our season came to an end with a tough loss in the semi-final.

While the result wasn't what we wanted, the boys should hold their heads high. Getting to the semi-finals and finishing third in Division 1 is something to be proud of. More importantly, we saw the team grow, improve and develop throughout the season, both individually and as a group.

To all the players — thank you for your effort, commitment and determination throughout the year. Football isn't always about the result on the scoreboard; it's about the friendships, the lessons, the challenges and the memories you make along the way. I hope you all look back on this season with plenty of pride.

To all the parents, grandparents, siblings and family members, thank you for your incredible support throughout the season. From early morning games and training sessions to cheering from the sidelines, your support makes such a difference. We couldn't do it without you.

A huge thank you also to everyone who helped behind the scenes — team managers, volunteers, coaches, sponsors and anyone else who gave their time to support the team. Your contribution is greatly appreciated.
Most importantly, boys, remember that this is just another step in your football journey. Take the lessons from this season, enjoy the break, come back hungry and keep working hard.

We may have fallen short this year, but **3rd place in Division 1 is a mighty effort** — and I'm confident there is plenty more to come from this group.

Congratulations on a great season, boys. Be proud of what you achieved, enjoy your break, and let's come back next season ready to go one step further! ⚽ 💪

Well done, Under 14 Division 1!

Thanks,
Laurence Singh

The AC United Under 14's had a season packed with determination, resilience, and some unforgettable moments. Despite facing challenges along the way, the boys continued to train hard, stay committed, and grow stronger every week.

This season wasn't short on highlights. We saw goals launched from just inside halfway, Volleys into the net, and we witnessed a brilliant hat-trick that lifted the team when it mattered most. And defensively, the team became stronger and introduced perfectly timed slide tackles into their game.
Even when we faced unfortunate injuries, the team regrouped, pushed on, and showed the kind of character that makes us proud.

Our focus throughout the season remained on shooting, passing, and set plays. Week by week, the improvement was obvious. The backline played up at halfway with confidence, our goalie showed zero fear diving, blocking, and leading from the back, and the passing was fantastic to watch as they strung fast and sharp movements cutting through the opposition.

But we also can't forget that the players weren't the only ones celebrating as the coaches somehow managed to win our mini–world cup challenge, securing bragging rights during our last training session!

To our players — Andrea, Andrew, Ameel, Benjamin K, Benjamin P, Frankie, John Paul, Lowrence, Michael, Marcus, Mitchel, Matyas, Patrick and Reven - we are incredibly proud of your hard work, determination, and growth. It showed in every match, every training session, and every challenge you pushed through.

A huge shoutout to Alf, who volunteered his time at the club, Alex in supporting us with the team and the families for your support throughout the season.

Thank you Coach Steve for your irreplaceable coaching and sponsoring the team again through Stefcon Building Services Pty Ltd.

What a season it has been for our AC United FC U15 Division 1 boys!

From the first training session to our final game, it has been a season full of hard work, challenges, laughs, friendships and plenty of great football. Every player has shown commitment and improvement throughout the year, and it has been great watching the boys grow not only as footballers, but also as a team.

We have had our share of wins, losses, injuries and difficult moments, but the boys always came back ready to work and support each other. Football isn't always about the result on the scoreboard — it's about the memories we create, the friendships we build and the lessons we learn along the way.

I am extremely proud of every player and the effort they have put in this season. Thank you to all the parents and families for your support, encouragement and help throughout the year. Your support makes a huge difference.

Boys, enjoy what you have achieved, keep working hard and continue to believe in yourselves. Take the memories from this season with you and keep pushing forward.

This was a new team that hadn't played together before, and it took a few weeks before the team started to gel. Thanks to all the parents, the team showed up to each training session and after a few sessions it was clear to Coach Pedro that the team needed more intense training sessions.

Each week the boys showed up to the game and played their best but just fell short of a win. Slowly but surely Coach Pedro worked out where each player played best. Once the boys learnt to play as a team, we could see improvement in the team as a whole. Each week there were continually small improvements.

Unfortunately, we just couldn't get away with a win but managed a couple of draws. More importantly, the boys had fun training and playing each week. I'm sure that with a bit more discipline and teamwork we can turn it around for a few wins next year!

We appreciate the effort of Coach Pedro, Assistant Coach Micheal and Manager Roy who kept the team positive in the most difficult of times.

Again, we thank the parents and players for their commitment and the AC Committee for all their assistance.

Well, that's another season done and dusted 16/1 boys WOW.
We started the year with fresh boots and big dreams but somewhere between the first whistle and the final game, we discovered that football is 10% skill, 20% fitness, and 70% remembering who's going to turn up this week…..
This season had everything:

- Goals that belonged on highlight reels. **Marcus, Mattias, Michael, Alessio**
- Goals we'd all like to pretend never happened. **Leon, Marcus, Leo**
- Some shots are still in motion!
- Last-minute winners. **Christiano, Josh**
- Tackling highlights. **Vas, Antonio, Alex**
- More offsides than anyone can count. **Giorgio**
- And enough "Ref, are you serious?!" comments to last until next season.

No names mentioned hmmm **Xavier** !!

Our backline became experts at emergency slide tackles, our midfield men covered approximately 47,000 kilometres per game, and our strikers proved that sometimes the hardest part of football is hitting the goal ..
As a coach your patience, your encouragement for explaining the same drill at least 15 different ways before someone finally asked, "Wait... what are we doing?"

The boys won't remember every game, but we'll remember the banter, the celebrations, the impossible saves (**Daniel**), the spectacular misses, and the friendships built along the way.
I would like to thank our Camera women Tina for capturing the boy's goals
Special thanks to our team sponsor for a second year running

The U16L Division 1 team entered the season determined, united and ready to make their mark. From the opening rounds, the girls played with confidence and commitment, producing some outstanding performances and maintaining first place on the ladder for much of the season.

As the year progressed, the team faced several challenges. Injuries began to take their toll, and on some occasions the girls were required to take the field with only nine players. Despite being short on numbers, they never stopped competing. Every player continued to work hard, support her teammates and give everything she had until the final whistle.

Although these challenges eventually saw the team move into second place, their ladder position does not fully reflect the courage, resilience and determination they have shown. The girls have played through pain, adapted to changing positions and continued to turn up for one another, even when the season became difficult. Their ability to remain positive and keep fighting has been one of their greatest achievements.

A huge amount of credit must go to our coaches, Alex and Javier Brosque. Their knowledge, encouragement and dedication have been invaluable throughout the season. They have worked tirelessly to develop the girls' skills, build their confidence and create a team environment in which every player feels supported and valued. During the more challenging moments, Alex and Javier continued to motivate the team, reminding the girls to believe in themselves and to play for one another.

The support from our parents and families has also been incredible. Whether it was driving to training, travelling to games, cheering from the sidelines or helping the girls recover from injuries, their encouragement has meant so much. Their commitment has helped create a wonderful sense of community around the team, and the girls have always known that they have a strong group of supporters behind them.

This season is particularly special because it marks the team's third year together. Over those three years, the girls have grown not only as footballers but also as friends. They have shared victories, disappointments, laughter, injuries and countless memories. The bond they have created has become one of the team's greatest strengths.

With finals approaching, the team is ready to give everything it has. After three years together, there would be no better way to celebrate the journey than by finishing on top and bringing home the victory. Whatever happens during the finals, every player should be incredibly proud of what this team has achieved. Their determination, friendship and fighting spirit have made this a season to remember.

Good luck girls- Lets finish the season strong!

What a fun season it was for the U17 Blue boys in Division 1.

We managed to get ourselves into the semi-finals, which was a solid effort. The season definitely had its ups and downs, with a few injuries along the way, but the boys kept turning up, putting in the work and getting on with it.

One of the best parts of the season was the team culture.
There was plenty of banter, plenty of laughs, and probably more nonsense than strictly football — but that's what made this group enjoyable to be around.

Even when things weren't going our way, the boys stuck together and kept the atmosphere positive. I'd like to thank Joe for all his help and support throughout the season.

Overall, it was a good year with a great bunch of players.

We may not have had the perfect season, but you boys cracked me up and played with a great spirit – that's all a coach could ask for.

Thanks to everyone involved with U17 Blue for making it a season to remember — hopefully the banter continues next year!

The 2026 season has been another fantastic year for our team. After winning our competition for the past three seasons, we earned the opportunity to step up into **Division 1** this year. We knew the move would bring a new level of competition and some tougher challenges, but the boys have embraced it and shown that they deserve to be competing at this level.

We welcomed several new players into the squad this season, and it has been great to see them settle in and become an important part of the team. Throughout the year, the boys have continued to work hard, support each other and develop both individually and as a group.

As we head into the finals series, we currently sit in **third place**, which is a fantastic achievement in our first season in Division 1. Regardless of what happens during the finals, the team should be extremely proud of what they have achieved this year and of the way they have represented the club.

A **huge thank you to our coach and managers**, who have given so much of their own time throughout the season. From training and game days to all the organisation that happens behind the scenes, your commitment and dedication to the team is greatly appreciated. The time and effort you put in each week plays a massive part in making the season possible for our players.

We would also like to sincerely thank all of our parents and families. Whether it was helping with field set-up and pack-up, assisting with crowd control, or simply being there each week supporting the boys from the sideline, your contribution has been invaluable. A successful team is about much more than the players who take the field, and we couldn't do it without the support of everyone behind the scenes.

Congratulations to all the players on another great season. Moving into Division 1 was always going to be a new challenge, and to enter the finals sitting in third place is something everyone involved with the team can be proud of.

Three championships in a row brought us to Division 1 — now let's see what we can achieve in the finals!

This team first came together by a group of mates who wanted to play a season of football together. With 16 players who had never played as a team before, a first year coach who had never coached before, and both the players and coach agreeing on the idea to not train at all throughout the season we could only take it game by game to eventually figure out individual positions and style of play that suited us as a team.

Preseason was all about building the foundations of our team, figuring out our style of play, what positions suited players best, Team and individual weaknesses and strengths of the team. We drew 2 games and lost 1 but didn't think much of it as we as a team knew we would be able to adjust and make the right changes going into the league season.

And after the first 8 games out of 18, losing 5 games, winning 2 and drawing 1. We genuinely thought we were just going to go the rest of the season joking around and not taking it seriously. But instead we decided to make some final changes based on the first 8 games played and hoped for the best.

And it ended up working out as we went on to finish the season in 5th (2nd out of all aged men teams) with 7 Wins, 9 losses and 2 draws all while still being competitive in games we lost due to lack of numbers showing up to games and injuries occurring. And as i write this we won our first finals game and have qualified for the Grand Final. And going into the finals we knew we could win the whole competition and now set our sights on the Grand Final.

And with that being said I wanna first thank the players
Nishan, Jayden, Alek, Ahmad, Ilija(Chich), Johnny, Shem, Aiden, Haig, Dylan, Rostom, Matthew, Hussain, Cooper, Chris and Dean for the effort they put in all season to show up and play and compete as a team.

I want to also thank the sponsors of the club and lastly thank the Senior Executives of the club for all they do to make Sunday league possible for us.

It was great to see most of the team back again this year, welcoming new players to complete the team. It was definitely an AAM team with the ages ranging from 18 years to 52 years. The younger players brought energy and enthusiasm, while the older players brought experience and leadership. It just goes to prove that age doesn't matter when everyone is working towards the same goal.

There were plenty of laughs, great goals, many challenges and injuries. Despite it all, the boys were always committed, supported each other, and gave their all.

Our team: Andres Campos, Luka Damjanovic, Ethan Dang, Max Dawson, Varsekou Dulleh, Gianluca Fazio, Gianluca Manduci, Piero Manduci, Dean Mattiello, Nicholas McGann, Gino Scamardella, Silvano Scotece, Lorenzo Scotece, Emilio Scotece, Orlando Scotece, Armando Scotece, Davide Tozzi.

Thank you to our coaches Silvano, Valentino, and Lorenzo for your time, commitment, and patience.

Thank you to Ottavio Scotece for helping us out whilst we had a player off getting married, and a player recovering from a broken nose.

Thank you to Anthony Fitzpatrick that unfortunately was out for the season due to an injury, but came to support the team on game day.

Thank you to our amazing family and friends for your support.

Thank you to our team sponsor JLM Digital Design.

Thank you to the A.C United FC Committee for their hard work this year.

Look forward to seeing you back in 2027.

Bradbury Ambarvale Maroon

It has been a privilege to be part of this remarkable group throughout the 2026 season. This year, we welcomed back a mix of returning players while also introducing several new faces to the team. new and old friendships grew stronger as our ladies came together through their love of football, creating a supportive and positive team culture. From the very beginning, the encouragement, camaraderie and belief within the squad laid the foundation for an outstanding season.

We started the season with a bang in Division 5, remaining undefeated and scoring consistently in every match. Our dominant performances unfortunately led to five teams forfeiting against us, and as a result, we were promoted to Division 4 midway through the season and placed into fourth position on the ladder, with none of our previous goal difference carried across. While the girls were initially a little unsure about the challenge ahead, they embraced the opportunity without hesitation. They stepped up to face stronger opposition, greater pressure and the challenge of adapting quickly to a higher division, continuing to demonstrate outstanding skill, teamwork, determination and resilience.

Football, like life, rarely follows the path we expect. What defines us is not always what happens to us, but how we choose to respond. This season certainly tested that, and I was incredibly proud to watch this group continually rise to the challenges placed in front of them. Their positive attitude, unwavering support for one another and belief in the team allowed them to carry their winning form into Division 4.

As coaches, we want to develop more than good footballers. We hope to encourage confident and resilient young women who understand that success is not simply measured by the scoreboard. It is found in character, discipline, courage, friendship and the willingness to keep moving forward when things become difficult. One of the great lessons sport teaches us is to focus our energy on what we can control, our attitude, our effort, our preparation and the way we treat the people beside us. The result will not always be ours to control, but the character we show in pursuing it always is.

To the ladies, be incredibly proud of what you achieved this year, but more importantly, be proud of the people you are becoming. You embraced every challenge, supported one another through the difficult moments and continued to grow both individually and as a team. Embrace the victories, learn from the setbacks and carry every experience with you, because every moment has something to teach us if we are willing to find it.

Thank you to our sponsors Chefs First Choice and Fernwood Wetherill Park, the supporters and everyone who contributed throughout the season. Most importantly, thank you to the ladies for allowing us to share this journey with you. It has been an incredible season, and we could not be prouder of this team and everything you have achieved together.

What a Difference a Year Makes – Building Something Special in the SDSFA Championship!

Our second season in the SDSFA Championship has been another memorable chapter in the journey of this team.

After narrowly missing the finals in our debut Championship campaign, the squad returned in 2026 determined to build on the foundations laid the year before. The growth has been evident in every aspect of the team. Not only have we continued to improve on the field, but we've also seen our squad grow in numbers, confidence, friendship, and camaraderie. What started as a group of talented players has developed into a genuine football family.
The hard work and commitment shown throughout the season were rewarded with a strong finish to the regular season. We finished third on the ladder, equal second on points, competing consistently against the best sides in the competition and proving that we belong at this level.

Perhaps the most pleasing aspect of the season has been the culture that has continued to develop within the group. Week after week, players have turned up for each other, supported one another through challenges, and celebrated each other's successes. The bonds formed both on and off the field have become one of this team's greatest strengths.
And the story isn't over yet.

We are currently in the finals series, and with one more win, we'll earn a place in the Grand Final. It's an exciting opportunity and one that this group has worked incredibly hard to achieve. Regardless of what happens next, every player should be proud of how far we have come together over the last two seasons.

A huge thank you to all the players who have contributed throughout the year. Your dedication, commitment, and willingness to put the team first have been the driving force behind our success.

Our Squad:
Alessio (Captain), Isaac (Vice-Captain), Alex “Bundy” (Goalkeeper), Bibs, Alex C, Luca, Greg, Christian, James, Samuel G, Samuel O, Salvatore, Adrian, Orlando, Rocco, Teddy, Nicholas, Adrian, Massimo, & Josh.

It has been a privilege to watch this group represent AC United in the Championship competition with passion, pride, and determination. The progress over the last two years has been remarkable, and there is no doubt that the best is still to come.

A heartfelt thank you to our management team John, Denis and Alexander for your tireless work and support throughout the season. Your efforts behind the scenes have played a huge role in everything we've achieved. To our photographers, Chiara and Lauretta, thank you for capturing the memories and moments that make football such a special part of our lives.

A massive shoutout to our team sponsor, **HBA Travel**. Brad and team, your continued support means the world to us. Thank you for backing the boys and being part of our journey once again.

Finally, thank you to the **AC United FC Committee**, and to our fantastic family and friends for your unwavering support every week. Whether at training sessions, home games, away fixtures, or finals matches, your encouragement has helped drive us forward.

Last year, I said: *"The trophies will come in the second season."*
We're not there yet, but we're in the Grand Final, and the dream is still alive.

Always Loud, Forever Proud, AC AC!

The 2026 season was upon us, and the boys were keen to make amends for season 2025. High in confidence, there was a strong belief in what this squad could achieve. With the core of squad onboard and the inclusion of a few new boys, there was a lot to be excited about for the season ahead.

A strong Prem 23's competition ahead of us meant we would need to earn each win. It was important that we did not get ahead of ourselves. Focus was to compete on weekly basis and bank our points along the way. This would ensure us a finals birth as the priority.

As the season played out, we consistently figured in the top 5. Competition was tight and teams were jostling for positions on the leader board. The top five was only settled on the last round of competition.

We finished in 4th place and the end of regular season. Our first goal achieved. We were now playing finals football. Where every game counts. We were confident and exited for the challenge ahead.

Week 1:
We faced the fast-finishing Liverpool Bossy. Who had just come of a 6-1 win against Fairfield eagles who were in contention for Minor Premiership. In a hard-fought first semi-final we managed a 1-0 win to progress as through to week 2

Week 2:
We faced 2 nd placed Fairfield Eagles. A clash between two of the competition heavy weights. This game was intense, end to end and was played more like a Grand Final. The game was locked at 1-1 until the final 8 minutes. Unfortunately, we conceded and went down 2-1. Eliminating us from the finals race.

However, our season was not over yet.

On the upside during the season, we participated in the Peter Millier Cup KO. Where we managed to make it through to the final. An opportunity to take something away from the season and bring back some silverware to the Club. Our opponents for this game would be the Fairfield Eagles Championship team. They had just finished the season as Minor Premier / Premiers in their competition.

The final was played on Father's Day. It caused a bit of disruption with families and their plans. But also inspired us to perform well and get the win for all the dads on Father's Day. We wanted to make it a special day for everyone involved.

What the boys produced next was an absolute masterclass. We dominated both possession and defence. We scored some fabulous individual and team goals. It was not only entertaining it was a pleasure to watch.

The result 7 – 0 win.

For a finals game thit was a statement of intent. It also summed up the team effort. We had seven individual goal scorers.

As a result of winning the Peter Miller Cup. We now play the winner of the Kerry Cup. The trophy that we will be playing for is the prestigious Liverpool City Cup.

Stay tuned.

2026 Macarthur M-League Champions!

After winning the 2025 Championship (Grand Final), the girls were keen to go one step further in the 2026 Macarthur M League Competition with their sights set on the top prize of Premiership.

The season got off to a better start than we could have imagined, going through the whole first round undefeated. We actually didn't suffer our first loss until facing our 2025 Grand Final opponent, Narellan Rangers in round 16.

From here the second round proved to be the tough competition that the M League usually provides. Despite only two losses and two draws in the second half of the season, the girls finished in a respectable second position, some eight points clear of third spot. We also finished the season as the highest placed Southern Districts side, so once again, head off to Champion of Champions at the end of the finals series to represent the district.

Our first round of semis we unfortunately, lost to Narellan Rangers who finished first in the competition. However, our second spot finish on the ladder sees us have a second chance to get to the Grand Final.

As always, it has been an absolute pleasure to look after this talented bunch of ladies, many of whom have been with AC United for over 10 years. Their dedication, sportsmanship and teamwork is what has made them so successful over the years and we look forward to the weeks ahead where they can once again, prove they belong at the forefront of women's football.

We would like to take the opportunity to thank our sponsors Vital Health, Fernwood Wetherill Park and Parkequip for your support of the M League Ladies.

To the supporters that come out each week to cheer the girls on, thank you.

To our coaching staff Frank, Cody and Caroline thank you for your dedication and leadership.

And to our Club's Committee, thank you for continuing to be a champion for women's football and the support you continually show to our team and the club as a whole. It does not go unnoticed.
